

Clent Mothers' Union

We started 2020 well with an AGM in January and in February we were able to hold our annual Candlemas Party - where we invite as many friends as we can to join us for tea and a quiz - and we even managed a meeting in March when we enrolled 3 new members: Jill Mucklow, Millie Steele and Anne Woollaston, and also celebrated Mary Chapman's 90th Birthday and then of course everything came to a stop.

Since March we have kept in touch by telephone and newsletters and even a couple of zoom meetings.

The only time some of us gathered was most sadly in June for the funeral of our dearly loved member, Pat Weston. Pat had been a member for many years. She did so many things for the branch in her quiet and unobtrusive way and we shall miss her very much.

Now that the end seems in sight at last we look forward to opening up again, possibly in July.
